APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source.
It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number must be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the waters herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0186 cubic foot per second, or sufficient to water 3,000 head of sheep.

Actual construction work shall begin on or before March 17, 1959

Proof of commencement of work shall be filed before April 17, 1959

Work must be prosecuted with reasonable diligence and be completed on or before March 17, 1960

Proof of completion of work shall be filed before April 17, 1960

Application of water to beneficial use shall be made on or before

March 17, 1961. Proof of the application of water to beneficial use must be filed with State Engineer on or before April 17, 1961

Map filed Apr. 15, 1958

Commencement of work filed MAR 1 1960

Completion of work filed APR 5 1961

Proof of beneficial use filed DEC 10 1962

Cultural map filed

Certificate No. 5515 Issued 4/22/63 for 0.0186 cfs
